| ACCADEMIC YEAR | PROGRAMMES   | FACULTY   | DEGREE       | LANGUAGE |
|----------------|--|---|--------------|----------|
| 2021/2022      | Economic Analysis of International Institutions      | Political Sciences, Sociology and Communications    | Masters      |          |
| 2021/2022      | Applied Computer Science and Artificial Intelligence | Information Engineering, Informatics and Statistics | Bachelors    |          |
| 2021/2022      | Archaeological Materials Science                     | Mathematics, Physics and Natural Sciences           | Masters      |          |
| 2021/2022      | Archaeology  | Humanities  | Masters      |          |
| 2021/2022      | Architecture   | Architecture  | Single Cycle |          |
| 2021/2022      | Architecture (Conservation)                          | Architecture  | Masters      | <br>     |
| 2021/2022      | Architecture - Urban Regeneration                    | Architecture  | Masters      | <br>     |
| 2021/2022      | Landscape  | Architecture  | Masters      |          |

| Architecture |  |   |           |    |
|--------------|--|---|-----------|--|
| 2021/2022    | Archive and Library Theory and Management              | Humanities  | Masters   |   |
| 2021/2022    | Performing Arts and the Science of Performance         | Humanities  | Bachelors |   |
| 2021/2022    | Artificial Intelligence and Robotics                   | Information Engineering, Informatics and Statistics   | Masters   |   |
| 2021/2022    | Health Assistance                                      | Medicine and Dentistry; Pharmacy and Medicine   | Bachelors |   |
| 2021/2022    | Astronomy and Astrophysics                             | Mathematics, Physics and Natural Sciences   | Masters   | <br> |
| 2021/2022    | Atmospheric Science and Technology                     |   |           |   |
| 2021/2022    | Biochemistry   | Pharmacy and Medicine; Mathematics, Physics and Natural Sciences  | Masters   |   |
| 2021/2022    | Bioinformatics   | Pharmacy and Medicine; Information Engineering, Informatics and Statistics; Medicine and Dentistry; Mathematics, Physics and Natural Sciences | Bachelors |   |
| 2021/2022    | Cell biology and technology                            | Mathematics, Physics and Natural Sciences   | Masters   |   |
| 2021/2022    | Biotechnologies  | Pharmacy and Medicine; Medicine and Psychology; Mathematics, Physics and Natural Sciences   | Bachelors |   |
| 2021/2022    | Food and Industrial Biotechnology                      | Mathematics, Physics and Natural Sciences   | Bachelors |   |
| 2021/2022    | Biotechnology and Genomic for Industry and Environment | Mathematics, Physics and Natural Sciences   | Masters   |   |
| 2021/2022    | Pharmaceutical Biotechnology                           | Pharmacy and Medicine   | Masters   |   |

|           |   |   |              |   |
|-----------|---|---|--------------|---|
| 2021/2022 | Medical Biotechnology                             | Pharmacy and Medicine; Medicine and Psychology                          | Masters      |    |
| 2021/2022 | Chemistry   | Mathematics, Physics and Natural Sciences                               | Masters      |    |
| 2021/2022 | Analytical Chemistry                              | Mathematics, Physics and Natural Sciences                               | Masters      |    |
| 2021/2022 | Pharmaceutical Chemistry and Technology           | Pharmacy and Medicine   | Single Cycle |    |
| 2021/2022 | Pharmaceutical Chemistry and Technology           | Pharmacy and Medicine   | Single Cycle |    |
| 2021/2022 | Industrial Chemistry                              | Mathematics, Physics and Natural Sciences                               | Masters      |    |
| 2021/2022 | Classics  | Humanities  | Bachelors    |  |
| 2021/2022 | Clinical Psychosexology                           | Medicine and Psychology   | Masters      |  |
| 2021/2022 | Cognitive neuroscience                            | Medicine and Psychology   | Masters      |  |
| 2021/2022 | Computer Science                                  | Information Engineering, Informatics and Statistics                     | Masters      |  |
| 2021/2022 | Corporate and Public Administration Communication | Political Sciences, Sociology and Communications                        | Bachelors    |  |
| 2021/2022 | Scientific Biomedical Communication               | Pharmacy and Medicine; Political Sciences, Sociology and Communications | Masters      |  |
| 2021/2022 | Scientific Biomedical Communication               | Pharmacy and Medicine; Political Sciences, Sociology and Communications | Masters      |  |
| 2021/2022 | Communication, technologies and                   | Political Sciences, Sociology and Communications                        | Bachelors    |  |
